As members of AACA, we love to show our cars and to tour with them as well. We appreciate and enjoy seeing America through the windshield as so many have before us. Touring is a great way to share our cars with, and to maintain support from the public. In order to best represent history and the mission of AACA, your car should be acceptable on the tour as it would be acceptable at a show, requiring that it conform to either Class Judging, Original, or DPC rules. All the information you need can be found at www.aaca.org, especially with regard to acceptable modifications.

I agree to carry an approved, fully charged fire extinguisher in my vehicle throughout the tour.
